Win CASH for Your Neighborhood!

National Night Out (NNO) is a great way to win cash prizes for your Neighborhood Association or Neighborhood Watch. You can put the funds to good use by improving your neighborhood. National Night Out participation awards will be drawn at random a few weeks after the event.

National Night Out Is Designed To:

- Heighten crime and drug prevention awareness.
- Generate support for local crime fighting efforts
- Strengthen neighborhood spirit and police community partnerships.
- Renew old acquaintances and establish new ones by getting to know your neighbors.
- Send a message to criminals letting them know neighborhoods are organized and fighting back.

" Events and programs vary from block-to-block and party-to-party. Make yours unique and memorable. Have a cookout, potluck, dessert party, ice cream social or just come together to visit.

" Albuquerque Police Department Personnel, other City Personnel and Elected Officials will attend as many registered events as possible.

Turn on the Lights for Pennies a Day

One way to deter crime and show your support for National Night Out is to leave your porch light on the night of August 5. But don't stop there.

Porch lights that are on from dusk to dawn every night help keep neighborhoods safe. Use a compact fluorescent bulb to keep energy costs low.

Security lights protect our homes. Well placed outdoor lighting can make paths safer to walk and our homes less desirable targets for criminals. Timers, motion detection and photocells are available to turn lights on and off automatically. Make sure the time or photocell is compatible with a compact fluorescent bulb. Interior lighting also discourages criminals from entering your home. Put one or two lamps on a timer and use compact fluorescent bulbs to save energy.
